

### LEGLESS MAN HANDICAPED?

Ewing W. Mays, of Fort Lauderdale, Florida, lost both his legs in World War II action. Here he shows 19-year-old Jerry Paul Landreth of Heber Springs, Arkansas, how a handicap need not be a handicap at all.

Mays also operates a direct mail pen sales firm, and his avocation is touring military and civilian hospitals giving inspiration by example to the newly handicapped. He demonstrates his artificial limbs, answers their many questions, dances with the nurses, and can even pluck a patient from his bed and carry him about the ward.

Mays goes to return Vietnam vets and other newly handicapped to productive society.

### RAY HOLLAND NAMED COUNSELING DIRECTOR AT UNIVERSITY OF ALABAMA

B. Ray Holland has been named Acting Director of Freshman Counseling and High School Relations at the University of Alabama. Holland, who served as Assistant Director of High School Relations at the U. of A. since 1967, replaces Conrad Merrill, who is continuing his studies at the University of Alabama working toward an Ed.D. in Curriculum Development in the College of Education.

In his position, Holland will visit over 200 high schools in Alabama and maintain close contact with guidance counselors and principals in all high schools in the state. He will also visit junior colleges and other four-year universities.

Holland is also in charge of freshman counseling, which includes orientation, registration, advising, and counseling of incoming freshmen. Twelve sessions of freshman counseling were held this summer, with over 2,500 students taking part in the three-day sessions.

A 1958 graduate of Enterprise High School, Holland received his B. A. degree from the University of Montevallo. He served in the U. S. Army from 1959 until 1962, and taught at Enterprise High School during the 1966-67 school year.

### ASC Committee Elections Set

Farmers got a last-minute reminder about the important elections of ASC committees administrator. Lists of eligible voters in each community are available for the next year as local administrators of national farm-action programs.

According to Roy L. Ellis, Chairman, Agricultural Stabilization and Conservation County Committee, eligible voters of Coffee County have until September 16 to cast ballots for community committees by mail or in person at the ASC County office.

Qualified voters in the election are all farmers who are eligible to take part in one or more of the farm programs which the committees administer. Lists of eligible voters in each community are available for the next year as local administrators of national farm-action programs.

The community committees the farmers elect from among their own number consist of a chairman, a vice chairman, and a third regular member, as well as two alternates. The regular members of the committee will also serve as delegates — and the alternates as alternate delegates — to a county convention to be held September 30, 1969, at 9:30 a.m. in the Coffee County ASCS office, where farmers will be elected to fill vacancies on the ASC county committee.

Last year approximately 75 percent of all the farmers in the county took part in one or more programs administered by the ASC Committees.

Chairman Ellis urged all qualified voters to be sure to cast their ballots before the September 16 deadline. Eligibility to vote or hold office as a committee member is not restricted by reason of race, color, creed, sex, or national origin.

### Auto Accident Costs Soar To All-Time High During 1968

The price Americans paid for traffic accidents in the first eleven months of 1968 soared to a record \$12,986,427,000, exceeding by \$544 million the previous record figure of \$12,442,413,000 for the whole year 1967, the Insurance Information Institute reported.

In November, traffic deaths shot up to 5,440—the most fatalities ever recorded for any one month and 15 percent above the death toll of the same month in 1967, the Institute pointed out.

The sharp rise in fatalities and increases of 3.5 percent in traffic accidents and 5.4 percent in injuries, pushed the economic loss for the month to \$1,388,149,000, the Institute estimated. This was \$450 million above the \$935,684,000 figure for November 1967.

Estimated economic loss figures, the Institute said, include such factors as lost wages, medical expenses, property damage and the service costs of insurance. While the losses are paid for largely through insurance companies, it was pointed out that the ultimate cost falls upon those who pay insurance premiums.

**CARD OF THANKS**

We want to thank each and everyone for the flowers, and kindness shown us during the death of our son and grandson, Edward Hardy and family Mrs. Paul Trammell 9/8/1969.

**CARD OF THANKS**

The family of Mr. S. B. Parker wish to express their gratitude for each act of kindness shown us during our recent bereavement.

May God's richest blessings be yours, Mrs. Marsha Parker and children 9/11/1969.

### Piranha Fish Are Confiscated By Department

Alabama conservation officials have confiscated the first fish under the recently enacted so-called "Walking Catfish Law." Conservation Director Joe W. Graham said Thursday.

Graham said conservation officers picked up several piranha, banned in Alabama by the law which became effective August 27. The pickup occurred in central Alabama.

Game and Fish Division Chief Charles D. Kelley said, "The owners of these fish were most cooperative and willingly turned the fish over to the Conservation Officers."

The confiscated piranha averaged about five inches in length. These carnivorous fish exist in large schools in their native habitat in tropical South America. They have been known to reach a length of 14 inches. "Piranha are innocent-looking creatures, but they have a mouth full of razor-sharp teeth," said Chief Fishery Biologist Archie D. Hooper.

It is said that they can devour a large animal or a swimmer in a matter of seconds.

Officials of the Game and Fish Division are grateful for the public cooperation shown in locating these banned fish.

### New Hospital Board To Take Office October 1st

A new hospital board has been appointed for the Elba General Hospital and Nursing Home. These appointments were the direct results of a local bill passed in the last session of the Alabama Legislature.

This bill provided for the same five-year terms for the board but allowed them to be staggered. This would prevent the possibility of a completely inexperienced board being appointed at one time.

Most of the first terms will be short terms to set up the staggered five-year terms. The two shortest terms were filled by members of the present hospital board and the other three term was L. S. Rainer, Jr., present chairman of the board. Appointed to a two-year term was Oscar Vaughan.

The four teams have played twice before and this week the two undefeated teams will meet.

### Little League Football Scheduled Thursday

Little League football will be played this week on Thursday night. The games are played at Legion Field. There will be two games each night.

The four teams have played twice before and this week the two undefeated teams will meet.

### Fleetwood Carnley To Head New Court

Elba attorney Fleetwood Carnley has been named as director of the State Department of Industrial Relations. In October 1960, he was named circuit judge to fill the unexpired term of the late Judge C. C. Brannon in the 12th Judicial Circuit (Pike and Coffee Counties). He did not seek election at the end of his term, but returned to private practice.

As a member and former president of the board of trustees of the Judson College, he is presently acting president of the college.

During the first Folsom administration, he served as director of the State Department of Industrial Relations. In October 1960, he was named circuit judge to fill the unexpired term of the late Judge C. C. Brannon in the 12th Judicial Circuit (Pike and Coffee Counties). He did not seek election at the end of his term, but returned to private practice.

As a member and former president of the board of trustees of the Judson College, he is presently acting president of the college.

### Accidents Recorded By Highway Patrol

During this past week-end, from 6:00 p.m. Friday through midnight Sunday, the Alabama Highway Patrol investigated 145 rural traffic accidents with 62 injuries and fatalities. The fatalities occurred in the following counties: One each in Wilcox, Butler, Russell, Calhoun, Montgomery and Coosa County. These weekend fatalities bring the total killed this year in rural traffic accidents to 64 as compared to 57 at the same time last year for an increase of 7.

Dodan District troopers investigated 22 accidents with 11 injuries and no fatalities. There have been 45 rural fatalities in the district so far this year as compared to 71 at the same time last year for a decrease of 26. Violations causing these weekend accidents were speeding, driving while intoxicated, following too close, improper passing, wrong side of the road and animal in the roadway.

Colonel Floyd Mann, State Director of Public Safety, stated that if you have the slightest doubt about passing another vehicle — better wait. Passing takes a lot of time and space. If you are moving at 60 miles per hour and pass a vehicle doing 45 miles per hour, it's like passing 40 parked cars.

### Romeo & Juliet Now Showing At Dixieland

The Dixieland Drive-In is showing the new picture "Romeo & Juliet" for one week beginning tonight (Thursday). The movie of the Shakespeare classic stars Leonard Whiting as Romeo and Olivia Hussey as Juliet. These teenage performers have been highly acclaimed for their performance in the movie.

### NEWLY REMODELED PEOPLES BANK KLEINERT OPENS PILOT PLANT

KLEINERT INC. HAS STARTED TRAINING local ladies in their sewing operation. On Monday of this week a small number of women began learning the art of sewing dress shields, the little rubber pads that protect ladies dresses from the perspiration of the armpits.

Company officials indicate they will start more women each week until they reach their capacity in the pilot plant and then when the new main plant is completed some time next spring.

### Elba Drops Luverne 32 - 8

By Doug Rhodes, Jr.

Quarterback Danny Creel led the Elba Tigers to victory over the Luverne eleven with the final score Elba 32 - Luverne 8.

Elba got on the scoreboard with four minutes left in the first quarter when Creel threw a 15 yard pass to Billy Bimbo who immediately lateraled back to up for the third touchdown. Following two fine runs by the Smith and Stinson, Bimbo carried the ball across to first TD. Donnie Holley kept his record perfect by kicking the 21-0 extra point.

Late in the 2nd quarter, Luverne punted and Dennis Smith received running the ball back 32 yards. One play later, Elba got its second TD. This time it was David Stinson carrying the ball 47 yards setting Elba recovered a fumble on the Luverne 15 yard line. After losing 3 yards, Creel decided to use the old "flee flicker" play, incomplete pass, Bragg in. He threw a short pass to Bimbo who immediately lateraled back to up for the third touchdown. Following two fine runs by the Smith and Stinson, Bimbo carried the ball across to first TD. Donnie Holley kept his record perfect by kicking the 21-0 extra point.

With 2 seconds left in the first half, Holley kicked a field goal from the 5 yard line making the half time score 24-0.

With about three minutes left in the third quarter Luverne punted. Smith called for a fair catch on the Elba 47 yard line. After Creel lost 2 yards, Smith broke loose for 55 yards and the Tigers fourth TD. Holley ran it over for 2 points this time making the score Elba 32, Luverne 0.

In the fourth quarter with ten minutes and 26 seconds left in the ball game, Luverne got its only TD. Quarterback Creel gained 39 yards.

Elba had 358 yards total offense of which 55 yards were passing. Creel completed four out of five passes. Elba made fifteen first downs and Luverne made six.

Luverne had a total of 104 yards with 8 yards passing. They completed 2 out of 17 passes.

The leading ground gainer for Elba was Dennis Smith again with 169 yards. David Stinson gained 75 yards, Donnie Holley 72 and game, Luverne got its only TD. Quarterback Creel gained 39 yards.

## it's a woman's WHIRL

Women who are concerned about shaking off extra pounds before summer approaches should heed the results of a clinical study by a top psychiatrist who found night-eating to be the leading cause of overweight among his patients. The majority of persons continuing to eat while dieting studied by Dr. Albert J. Stunkard had the same eating characteristics—all suffered from sleeplessness, most being awake beyond midnight more than half of the time. None wanted more than a cup of coffee and a small glass of orange juice for breakfast, if anything. And all consumed one-fourth of their daily calories after a large evening meal.

was given major prominence a hundred years ago by William Banting who wrote a best seller telling how he had reduced fifty pounds by avoiding starch. Banting's name has achieved such prominence today that it has become a language idiom. In England, "going banting" means going on a diet.

Are women the weaker sex? They live to a ripe old age than men and their ratio is growing. There are now 129 females for every 100 males. It may be 143 to 100. Of the 18 million people in the United States who have passed the 65 age mark, 23 million more are women. By 1975 experts predict female strength will rise to 3.3 million. Why do women live longer? Perhaps they are the stronger sex. Some scientists agree; they point out that women visit their doctors more frequently, have more effective hormone systems, and allow their emotions freer play.

and family relationships, has been on so many committees where she is the only woman that she has stopped thinking about how she is being treated. "Courtesy," she says, "is appreciated but not expected. She recalls a business trip by train with a male associate where they made a number of stops. 'I'd keep hopping around to hold the door—so I finally managed to restrain myself.'"

### SHORT AND SWEET

Noise can be a health-robbing. At a Conference on Dangerous Noise in Rome, Italy, doctors

The man of tomorrow will have no hair at all, according to a Brown University biologist. Man is the least hairy of all mammals and is getting more hairless with time. Bald men are thus the wave of the future. During the reign of Julius Caesar, war

cost 75 cents for every killed in the First World War it was \$25,000 for each casualty. In the Civil War, the \$50,000. In the Second World War it soared to more than \$100,000. "My psychiatrist says I'm allergic to buttons."

## June Jacobs Awarded BPW Scholarship

Miss June Jacobs, daughter of Mr. and Mrs. Richard Jacobs of Elba, was awarded a \$100 scholarship at the September meeting of the Elba Business and Professional Women's Club held at the Elba Country Club.

Prior to receipt of the scholarship, the 18 year old Enterprise State Junior College student stated her reasons for desiring the scholarship and for selecting ESJC, location of the college, a closer student-instructor relationship, lower expenses. She concluded her speech by saying, "This scholarship will be an honor as well as an aid to me." Mrs. Amorette Bullard, youth and scholarship chairman, presented the check to Miss Jacobs.

JUNE JACOBS

## Miss Pam Vaughan To Marry Kenneth Baker

Mr. and Mrs. Milton Larnar Vaughan, of Elba, announce the engagement of their daughter, Pamela, to Kenneth Young Baker, son of Mr. and Mrs. Winfred Baker of Elba.

The bride-elect is the granddaughter of Mr. and Mrs. Roy Watkins of Elba, and Mrs. Luther Vaughan and the late Mr. Vaughan, also of Elba.

She was graduated from Elba High School and attended Enterprise Junior College and Huntingdon

College in Montgomery. The groom-elect is the grandson of Mr. and Mrs. Grafton Young of Elba and the late Mr. and Mrs. George Baker, also of Elba. He was graduated from Elba High School and attended Enterprise Junior College. He is presently employed in Elba.

## Mrs. Fred Clark Host Azalea Club

The Azalea Garden Club began its 1969-70 program at a meeting Wednesday, September 10, in the home of Mrs. Fred Clark with Mrs. Sam Rowe serving as joint hostess with Mrs. Clark.

A social hour preceded the business session and refreshments of date-nut cake, nuts and coffee were served.

Mrs. Oliver Williams, president, presided. Mrs. V. D. McCreary, secretary, called the roll and Mrs. Fred Clark, Treasurer, made the financial report and collected dues. Reports were given by officers and chairmen of Standing Committees. Mrs. Price Ringo reported the success of the appeal made for clothing and other needed supplies for Hurricane Camille disaster areas and expressed thanks for the full cooperation of the club members in this project. Mrs. Oscar Vaughan, Jr. reviewed the theme of study outlined in the Yearbook for the new year. Announcements were made of the District meeting to be held in Enterprise at St. Luke Methodist Church on Thursday, September 25, beginning at 9:00 a.m. and also of a program to be given at the Enterprise Junior College on October 14, when the guest speaker's subject will be "What Does Your Door Say for You?"

The group voted to continue the collection of "Pennies from Heaven."

The President announced that the Club had received the "Club of Distinction" award for its achievements during the 1968-69 club year, and a motion was carried to work toward meeting the requirements for this award during 1969-70. The goals set out in the President's message were to complete the landscaping around the Nursing Home and Hospital grounds; continue all projects begun last year; and engage in the Districtwork on the district level.

The program, "A Review of the Constitution and By-laws," was presented by Mrs. V. D. McCreary. Members present were: Mrs. F. P. Clark, Mrs. Jimmy Wise, Mrs. Price Ringo, Mrs. Oscar Vaughan, Jr., Mrs. R. H. Murphree, Mrs. Baxter Bryan, Mrs. J. M. Kimmey, Mrs. Flournoy Whitman, Mrs. Mayo Prescott, Mrs. V. D. McCreary, Miss Zedie Rowe, Mrs. Fred Clark and Mrs. Sam Rowe.

## Dean's List Released At University

Three hundred students enrolled in the summer term at the University of Alabama made records of between 2.5 (B plus) and 3 point (A). Dean of Admissions Hubert E. Mate announced Of these, eighty-three made all A's.

The area listing by county includes: Edwin Walker Cooper, Jr., Elba; Mary Suzanne Prior, Elba; — All A's.

## Three-In-One Study Club Holds Meeting

The September meeting of the Three-In-One Study Club was held Thursday evening, September 4th in the home of Mrs. J. D. Whitman. Other hostesses were Mrs. William Bullard and Mrs. A. C. Brunson, Sr.

Before the call to order, the hostesses served a salad plate with tea and dessert. Mrs. E. M. Warr, presided over the business session and Mrs. A. C. Brunson, Sr. announced the program. The devotionals, given by Mrs. J. W. Kendrick, was a poem with verses from the 30th Psalm. The devotional theme was the ever-presence of God.

Mr. Marion Brunson, principal of Hillcrest School in Enterprise, spoke on his recent European tour. Members attending were: Mrs. Pauline Allen, Mrs. L. A. Boyd, III, Mrs. Baxter Bryan, Miss Gladys Clark, Mrs. James Engle, Mrs. J. W. Kendrick, Mrs. J. L. Larkins, Mrs.

## "AND THEN PRINCE CHARMING"

Do you remember the undivided attention you gave to a story-teller . . . when you first heard Cinderella, Snow White, or some gallant warrior hold? It seems so long ago. And yet, that attention reveals within ourselves more than dreams; it reveals a secret longing after mysteries, after the things we do not understand, but somehow love.

Religion, in a way, is somewhat like that. Everybody is religious! But, of course, everybody doesn't call it that! Nevertheless, there is in the heart of man a secret yearning, a wish, a hope for things eternal. We express those wishes in church.

And somehow God hears our wishes and consoles and explains. That is a very important part of the Church; for it is a place of consolation and understanding, a place where wishes (prayers) are heard, where the mysteries of life gain new meaning.

## ATTEND THE CHURCH OF YOUR CHOICE SUNDAY

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Sue Harper Named NMSQT Semifinalist

Principal Lamar Foley has announced that one student at Elba High School has been named Semifinalist in the 1969-70 National Merit Scholarship Program.

The student is Marilyn Sue Harper.

The 15,000 semifinalists appointed are among the nation's most intellectually talented high school seniors. They will compete for about 3,000 Merit Scholarships to be awarded in 1970.

The semifinalists were the highest scorers in their states on the National Merit Scholarship Qualifying Test (NMQST), which was given last February to some 750,000 students in 17,250 schools nationwide. They constitute less than 1 percent of the graduating secondary school seniors in the United States.

Names of the 1969-70 Merit Scholarship winners will be announced April 30, 1970. Some 21,600 students have received Merit Scholarships in the four-

WINTER COTTON — Double woven cotton in a striking black and white geometric design shapes an easy-fitting style that's perfect for winter wear. Buckled in silver, the dress has silver buttons at the cuffs and shoulders. By Genialities of California.

By Tom Canaday, County Extension Chairman

**MIXED EMOTIONS**

I talked to a lot of folks the past few weeks about the good season we are having to harvest the peanut crop. In various communities in the county, I found mixed emotions over the lack of rainfall. Some folks are just as happy as they can be over the situation and others who have pastures and are trying to save hay and trying to keep their lawns going are hoping for a good rain. In any event, the harvest season has been the mighty good the last few days and I hope it will be long enough for our peanuts to be harvested.

**PEANUT YIELD**

Roy Baker of Route One, Kinross, has a nine acre peanut allotment. This year he planted 4 1/2 acres in Florigiant and 4 1/2 acres in Early Runners. He picked them this past week, had them dried and sold them. He averaged 2400 pounds per acre on his

Howard E. Kershner, L.H.D.

By

Howard E. Kershner, L.H.D.

**STATUS OF U.S. COMMUNIST PARTY**

TODAY we're taking a look at the Communist Party U.S.A. Party membership is up and rising. Party fortunes were never low as during the 1948-49 decade, when the Gold War, Korean War and federal prosecutions reduced the faithful to a hard core of 10,000.

**Dr. Kershner** of the innumerable propaganda war conducted at home and overseas on American participation in the Vietnam War, the Party is getting an infusion of new strength. Dues are now being collected from 12,000 members. Party officials are all smiles.

With only 13-thousand members the Party seems to some to be hardly worth considering. But Party boss Gus Hall says that for every paid member there are 10 state of mind Communist sympathizers the Party strength through propaganda radiates outward, touching from time to time, almost every American.

Propaganda is the Party's major achievement. It benefits from a public's faulty memory. During the Korean War the charge was U.S. use of germ warfare. During the Vietnam War it's a campaign to convince the world that there's something evil about using airplanes and napalm—but nothing wrong with bicycle bombs in Saigon or land mines under rural bases or devastating rockets used by the Communists. And all the while there's an unceasing propaganda war against Congressional investigating committees and the FBI. Current propaganda is aimed at four areas—unions, Negroes, religion and youth.

While the black revolutionary movement has been largely independent of the Communist Party, it's now striving for control. Inroads have been made among the West Coast Black Panthers as well as some of the violence-oriented groups in New York and other East Coast cities. The Party doesn't suggest guerrilla warfare in the cities at this time. However, it does support it.

During last fall's election the Communists organized the Freedom and Peace Party in New York. The Party ran Herman Ferguson for U.S. Senator. Ferguson is a leader of R.A.M.—the Revolutionary Action Movement.

As for winning American youth, the Communists see new opportunities. Plans are being made to take advantage of the New Left upsurge on the campus. In addition to small Communist cells, the Party works through the DuBois Clubs and the SDS—the Students for a Democratic Society.

All in all, while the Communist Party is relatively small it's growing and constitutes a fifth column for Moscow.

Howard Kershner's Concentration, Distributed by the CHRISTIAN FREEDOM FOUNDATION, 3200 West 4th Street, Los Angeles, California 90005.

## Alabama Has Good Climate For Agriculture

The climate conditions, soils and terrain of Alabama make it an important agricultural state. In 1968 Alabama had 85,000 farms that averaged 180 acres each. The value of land and buildings was an average of \$28,000. When machine costs are added the average investment per farm is \$36,000.

Cash income from crops in 1968 was \$205 million; livestock, \$170.4 million; and poultry and poultry products, \$244 million. Among the crops in 1968 the production was cotton, 397,000 bales; corn 22 million

bushels; soybeans, 12.3 million bushels; and peanuts, 245.7 million pounds. In 1968, 824,000 head of cattle and calves were marketed and cash receipts were \$121.6 million. There were 1,271,000 head of hogs marketed at a value of \$151.8 million. The 2,659 million eggs brought \$84 million. Other chickens besides broilers brought in \$14.3 million and turkey income was \$3.1 million.

**RAIN NEEDED**

Rain is needed for at least one conservation practice to continue on schedule. Gullies that have been filled and shaped can not be seeded until a good rain comes to soften the ground.

Gully practices on five farms have already been affected by the lack of rain. In the Weeks Community, H. L. Martin, M. A. Hardwick, and Billy Thornton are waiting on rain before land can be prepared and bahia grass and rye planted.

In the Clintonville Community, gully practices have been finished on James Stewart's and Pittman Brothers' farms -- that is, all except planting the grass and nurse crop.

### NAM Urges Firm, Sound Policy in Inflation Fight

The way to end inflation is to W. P. Gullander of New

#### Sound Surplus

The speaker pointed out that "in fiscal policy, the Administration has called for a budget in the coming year that will produce a moderate-sized surplus. In monetary policy, the Federal Reserve System has been conducting its operations in a way that permits a growth in the money supply that is generally in proportion to the economy's potential for real growth."

The NAM president told the Legion he believes this approach represents a sound economic policy position from the long-range perspective, as well as for the present situation.

"It's an effective policy and one we can live with indefinitely," he said. "I find it hard to imagine any set of circumstances that would make it desirable to have the large federal deficits again, and the excessive expansion of money and credit that prevailed until recently."

Noting that the new anti-inflationary policy had been in effect only about six months, Mr. Gullander warned that there would be pressures from various quarters to adopt different policies. Some will demand tighter restrictions and extreme moves to control inflation more quickly, the speaker said, while others will advocate—at the first real signs of a slowdown—a radical swing back to deficits and easy money.

#### Inflation's End

The NAM president predicted that the government will withstand pressures from both sides. "Hence, I expect that this inflation will come near end," he said. "It's going to take time, maybe more time than we'd like to think. Inflationary trends are deeply ingrained—particularly the inflationary trend in wages in certain industries—and they

ZION CHAPEL 5th and 6th GRADERS RECEIVE 4-H AWARDS, front row, left to right, are Jimmy Lambert, Jeffrey Flowers, Jeffrey Kelley, Jackie Flowers, Boyd Killingsworth, 2nd row, Tracy Deal, Melvin Arnold and Sam Turner.

won't be easily ended. But wages don't have to rise faster than productivity. In the non-inflationary period of the early 1960's, for example, the wage levels generally remained in balance with productivity gains."

## This is the way it's going to be. Pontiac's 70's

Surprised that Pontiac's setting the style for the umpteenth straight year? Of course not. But you may be a bit dazzled to find out that Pontiac finally outdid Pontiac.

Take Bonneville. From the strong, new bumper grille to the standard 455 under the hood, it's a rouser.

Inside, instant limousine. So luxurious some of the traditional big boys are already screaming.

One of the nicest things we could have done for Grand Prix's luxury was to leave it alone. We did. But we popped in a 455 V-8 for you to order. (It's an old Pontiac proverb that luxury

should have power.) Enter LeMans Sport. A brand-new series in the Pontiac stable. Wait! Competition sees it pull the new 400-cubes-under-the-hood trick. We'll show you that one if you check the right box on the order form.

By now, you've spotted our '70 GTO. But maybe you haven't heard it. A sound so tough we've thrown modesty to the wind and dubbed GTO "The Humbler."

This is Pontiac '70. And we figure this is the way driving's going to be. So why wait?

It's at your Pontiac dealer's now.

Mature Lady wanted to become owner of Ladies & Childrens shop in Elba. Pixie Shops now open in Elba and doing good business, has an opening for a New Franchise Owner. Pixie has over 100 stores in the South and will furnish \$12,000 to \$15,000 in Merchandise Free. Small investment in fixture, no investment in merchandise. Call Ronald D. Diamond at 222-6966 collect after 7 p.m. or write giving your phone number to Ronald D. Diamond, 300 East Three Notch St, Andalusia, Alabama. 9/18/tfc.

### My Neighbors

"There's no hot water!"

### Mike Williams Helps Recovery From Camille

Airman First Class John M. Williams, son of Mr. and Mrs. James E. Williams of 1823 Highland Drive, Elba, is among the thousands of personnel from Keesler AFB, Miss., who have joined the massive effort to help nearby communities recover from the devastation of Hurricane Camille.

Airman Williams and others from the Air Training Command base located at Biloxi are aiding Civil Defense teams and city crews in the distribution of food, clearing debris, and directing traffic. Heavy equipment is assigned throughout the Biloxi area to help clear wreckage. Medical teams from the base are augmenting health staffs in the stricken communities of Bay St. Louis, Waveland, Pass Christian and Gulfport as well as Biloxi. The Keesler airfield is

the center of airlift operations for giant cargo planes bringing in food, supplies and medicines, and for continuous shuttle missions by helicopters.

The airman, a graduate of Elba High School, attended Enterprise Junior College.

### Jerry Brown Stationed in South Korea

Pfc Jerry Franklin Brown, husband of the former Judy Gallimore is serving his overseas tour of duty in Korea.

Pfc Brown was specially selected to be an Honor Guard with the 8th Army Headquarters and is stationed in Seoul which is the capital of Korea at the United Nations Building. While serving his 13 months tour, his wife is residing with her parents, Mr. and Mrs. W. D. Gallimore of Rt. 5, Elba.

Pfc Brown is the son of Mr. and Mrs. Alton Brown, also of Elba.

### William Crawford Promoted to 1st Sergeant

William G. Crawford, son of Mr. William T. Crawford of Elba, was promoted to 1st Sgt. 508th Engineering Co., 62nd Engineering Battalion in Long Binh, Vietnam.

His wife, Mary, and their children, also live in Elba.

## Washington Report

by **GEORGE ANDREWS**  
Member of Congress  
Third District of Ala.

News of the inhumane treatment being given American prisoners of war by the North Vietnamese Communists, once again show what little regard the Communists have for human life.

Who will soon forget the stories of barbarism told recently by two American servicemen finally released by North Vietnam? They told of physical torture, psychological terror, public display, insufficient medical care and treatment, neglect of health, dietary and sanitary necessities, denial of correspondence with relatives, and forced compliance with propaganda and political exploitation.

I have introduced a resolution, along with other House members, calling on North Vietnam and the Viet Cong to comply with Geneva Convention provisions and provide more humane treatment of American captives. To date, they have ignored all civilized concepts of international accords and agreement on prisoners of war.

I am urging the President to initiate through diplomatic, military and any other available channels, such action as may be necessary to insure that the 1949 Geneva Convention provisions on POWs, which North Vietnam signed in 1957, are accorded all American servicemen being held in North and South Vietnam. The President should especially urge that the government of North Vietnam and its allies identify prisoners whom they hold, release seriously sick or injured prisoners, permit impartial inspections of all prisoners of war facilities, and permit the free exchange of mail between families and prisoners.

Such a resolution may help create an outpouring of indignation across the country, thereby mobilizing public opinion against the cruel treatment of POWs by the Vietnamese Communists and hopefully forcing the Communists to give our soldiers better treatment. We know that Hanoi is highly influenced by American public opinion.

Success in dealing with the Communists can never be safely predicted, but we must do something about our men in the enemy's prisons. This Administration, like that before it, has obviously given up any thought of rescuing them through offensive drives into North Vietnam.

Defensive Department officials list 340 servicemen as known captives in Communist POW camps. Still, more than 1,200 servicemen are listed as missing in action, and could be captives. Neither the Viet Cong nor the North Vietnamese have ever officially released the names

THE NEWLY ELECTED KINSTON HIGH SCHOOL Senior Class officers are (Sitting) Brenda Seay, Treasurer; Gale Smith, Parliamentarian; Fay Smith, Secretary; Ken Pierce, Chaplain. Back Row: Larry Wise, Vice President; Pat Hatcher, Reporter; Romy Phillips, President.

## Sgt. Donaldson Is Serving In Vietnam

U. S. Air Force Senior Master Sergeant Edwin B. Donaldson, son of B. R. Donaldson of Stella Route, Florida, is on duty at Phan Rang, AB, Vietnam.

Sergeant Donaldson, an air armament superintendent, is assigned to a unit of the Pacific Air Forces. He previously served at Hamilton AFB, Calif.

The sergeant is a 1948 graduate of Opp High School. His wife, Sue, is the daughter of Mr. and Mrs. Dewey Adams of Kinston.

## Boys Contact Draft Board

College students are reminded that it is their responsibility to see that the institution which they attend informs their selective service board that they are enrolled.

As the fall school term swings underway, State Director Hugh J. Caldwell, Jr., pointed out that the students must be certain that his school has sent to his local board the selective service Form 104, "Request for Deferment." Without these, a student is liable for reclassification into Class I-A. And without them, no student can be considered for deferred Classes I-B-C or II-A.

Caldwell also reminded that young college students, and others, just turning 18 years of age, must register within five days after their birthday.

"It is not necessary," Caldwell said, "for a student to return to his hometown to register. He may go to the local board nearest his institution and register."

Caldwell explained, "that when registering, the place of residence entered in item 2 of the Registration Card (SSS Form No. 1) determines the local board that will always have jurisdiction over the registrant."

In other words, students should be absolutely certain to write the name of their hometown on Line 2 of the card, and to keep in mind that all young men reaching 18 are required by law to register. Also, it is the responsibility of the young man in college, university, or trade school to see that his institution has notified the local board that he is enrolled.

## ASC Members To Be Elected In Meeting Next Tuesday

The county convention where farmer-chosen delegates will elect farmers to fill vacancies on the Coffee County Agricultural Stabilization and Conservation Committee will be held Tuesday, September 30, at 9:30 a.m., at Coffee County ASCS Office New Brockton, according to Roy L. Ellis, Chairman, County ASC Committee.

## Policeman Finds Umbrella At Ball Game

Jack Smart has an umbrella that someone left in the stands at the Elba-Opp ball game last week. The owner may pick it up at the police station.

## Opp Bobcats Drop Elba 6-0 Friday In Rain

BY DOUG RHODES, JR.  
Elba came back after the half and controlled the ball for most of the third quarter running 19 plays while Opp ran only 9 but was unable to score.

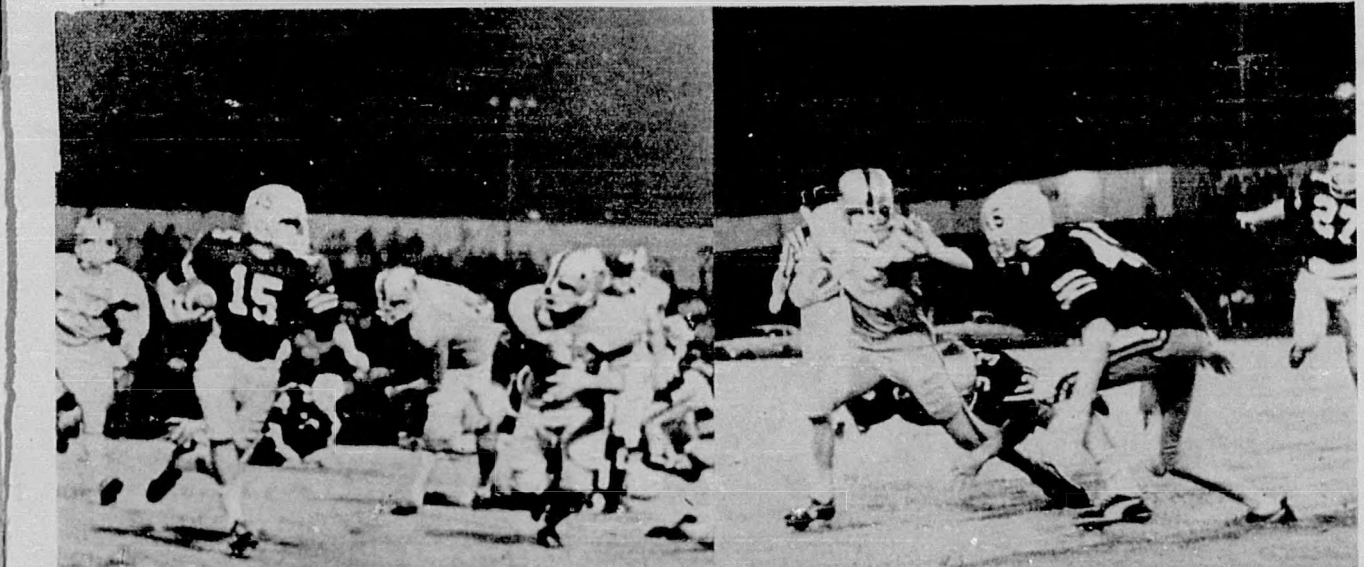

A wet ball and a slick field plagued both teams with Opp fumbling three times and losing two and the Tigers fumbling three times and losing one.

The net yardage of both teams was very close with Opp netting 155 yards and Elba netting 144 yards. Opp chalked up seven first downs and Elba had five.

Elba punted five times and Opp punted six times. Opp attempted two passes and both were completed. Elba attempted three passes, two were incomplete and one was intercepted.

The Elba Tigers journey to Hartford this Friday night. Game time is 7:30.

CAPTAINS FOR HARTFORD GAME  
Buddy Foreman and Billy Bimbo

THE MISS ELBA CONTEST will be stated tonight (Thursday) at 7:30 in the Elba High School auditorium. It is sponsored by the Elba Lions Club and the winner will represent Elba in the Peanut Festival next month.

Contestants are: front row - left to right - Barbara Sherrer, Linda Hodge, Janet Daniels, Karen Clay, Judy Matthews, Pat Taylor, Patsy Bruce. Second row - left to right - Louise Williams, Debbie Easters, Norma Mallory, Cathy Holland, Kay Mack, Donna Morrow, Karen Fuller. Third row - left to right - Christina Cooper, Debbie Lindsey, Gayle Meek, Debbie Hinson, Jennifer Taylor, Verla Smith, Marie Vaughan. Not pictured were: Emily Burdick, Diana Davis and Violet Ellard.

## Extension Classes Local Police Are Announced At Troy Branch

Operation Santa will be lead in this area by Ft. Rucker personnel again this year, according to Elba Police Chief Jack Smart.

The local police have acted as receiving agents for the unused, broken and bent toys collected from local citizens. These toys are then taken to Ft. Rucker where volunteers repair and repaint them. They are then redistributed in the area to children who otherwise would not have any Christmas.

## Dorsey Plan To Start

Adult Education Classes will begin on September 29th in the Coffee County School system. The centers for these classes will be Goodman Junior High School, Warren Smith in New Brockton, Kinston High School and New Hope.

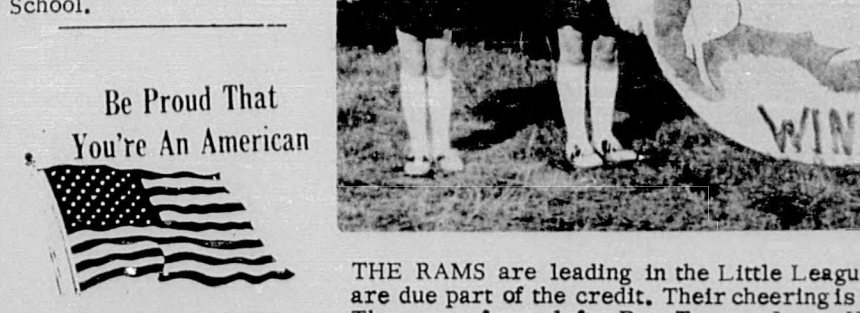

## Business Licenses To Honor Are Now Due At Courthouse

Now is the time to buy new privilege license, hunting and fishing licenses, according to Probate Judge J. O. English. The judge urges that you bring your old license when purchasing new ones. This speeds up the process and gets you on your way sooner.

## Airman Moore Has Completed A.F. School

Airman Michael L. Moore, son of Mr. and Mrs. Joe M. Moore of Rt. 4, Elba, has graduated from a U. S. Air Force technical school at Sheppard AFB, Texas.

He was trained as a medical services specialist and assigned to a unit of the Air Training Command at Craig AFB, Ala. The airman is a graduate of Kinston High School.

Be Proud That You're An American

## Accidents Recorded By Highway Patrol

Colonel Floyd Mann, Alabama's Director of Public Safety, stated that from 6:00 p.m. Friday through 12 midnight Sunday, the Alabama Highway Patrol investigated 196 rural traffic accidents. In these accidents 86 persons were injured and 8 were killed.

The fatalities occurred in the following counties: 2 each in Talladega and Sumter and 1 each in Montgomery, Macon, Clarke and Lauderdale. This brings the number of people killed in Alabama this year to 664 compared with 607 killed during the same period last year. This is an increase of 57 fatalities.

## Adult Education

Capt. W. A. Hornsby, Dothan District Commander, stated that this eight county Dothan District troopers investigated 18 accidents with 9 injuries and no fatalities. The traffic law violations causing these accidents, were, speeding, driving while intoxicated, failing to yield the right of way, inattention and unattended livestock in the roadway.

The Dothan District has 45 fatalities so far this year as compared with 77 at the same time last year. District wise we are down 27.

Colonel Mann warns that the speed limits on our highways sometimes have to be regulated according to the weather and road conditions. If adverse conditions are present, slow down and take a little extra time to arrive alive.
